ULTRA-CONTROLO

NIST ISO 18082

Recessed Socket - NIST ISO 18082

TERMINAL UNITS

NIST ISO 18082

Recessed Socket - NIST ISO 18082

NIST socket compliant with UNI EN ISO 18082, for instrumental air. Must be connected to the UNI 9507 universal base. Materials include stainless steel and EPDM PEROX. All variants weigh 0.15 kg.

Features

- ISO 18082 compliant
- Instrumental air
- UNI 9507 base compatible

Standards

- UNI EN ISO 9170-1
- UNI EN ISO 15001
- UNI EN ISO 18082

Components

- One chemically nickel-plated brass terminal unit body
- One stainless steel spring
- One sintered bronze filters (filtration grade 100 µm)
- One EPDM PEROX O-Ring

GAS	WEIGHT
Air 800	0.15 kg
